

# FAVOURITE PLACES IN BUDAPEST

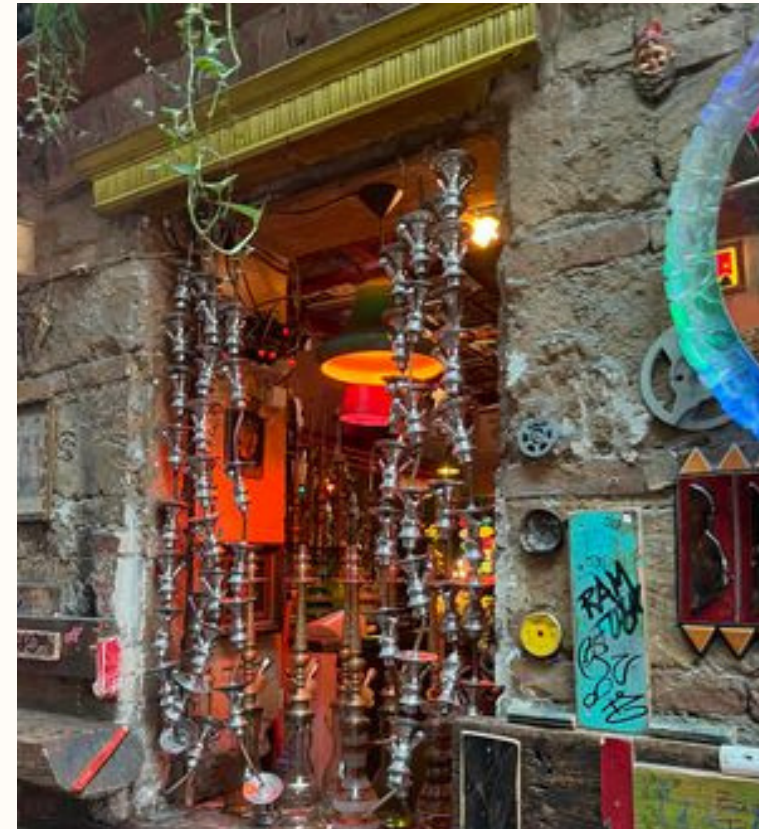

WHAT WE LIKED MOST ABOUT BUDAPEST IS THE PARLAMENT. WHEN WE WERE IN HUNGARY WE WERE SAILING ON THE DANUBE RIVER AND WE SAW THIS BUILDING.

ANOTHER INTERESTING ATTRACTION WAS THE MILL WHEEL, FROM WHICH YOU COULD SEE THE PANORAMA BUDAPEST.

I especially liked the place shown in the photos. it has an amazing atmosphere and is very original

We also had a nice time looking for the correct answers in the market hall. we integrated and got to know each other better

Thank you for the nice time we  
spent together!
